

Wyke Regis CE Junior School

Dear Parent/Carer

Believe it or not there was not enough news to produce a news letter this month! So rather than waste a lot of paper, I decided to write just this brief note.

- Congratulations to the school football team for winning their second trophy this year. Success in the south Indoor 5-side competition followed on from retaining the 7-side trophy in December. Many thanks to Mr Brittain for his excellent coaching.
- Last Month, I sent out a letter concerning the possibility of starting a breakfast club on five mornings per week. Disappointingly, the initial response that I received did not identify that there was adequate need to establish the club. However, I will regularly review this situation.
- I would like to remind you that the school closes for the half term vacation at 3.05PM on Thursday the 15th of February.

Yours faithfully

Carl Saunders. Head Teacher 2.02.07
